

CURRICULUM VITAE

Patricia Ojeda, MD

Reston Radiology Consultants, P.C.
20116 Ashbrook Place, Suite 150
Ashburn, Virginia 20147
703-726-1388

POST-GRADUATE TRAINING:

- 8/2021 – 5/2022 UNIVERSITY OF VIRGINIA
Musculoskeletal Radiology Fellowship
Charlottesville, VA
- 8/2017 – 5/2021 UNIVERSITY OF WASHINGTON
Diagnostic Radiology Residency
Seattle, WA
- 5/2016 – 8/2017 INDIANA UNIVERSITY
Internship
Bloomington, IN

EDUCATION:

- 8/2011 – 5/2016 UNIVERSITY OF TENNESSEE HEALTH SCIENCE CENTER COLLEGE OF
MEDICINE
Doctor of Medicine
Memphis, TN
- 8/2011 – 5/2005 VANDERBILT UNIVERSITY
Bachelor of Arts, Chemistry and Spanish
Nashville, TN

LICENSURE:

- VA License: 0101272565
- CA License: A 180767
- TN License: 65833

CERTIFICATIONS:

- ABR Board Certification – 10/2015
- SCCT Cardiac CT Level 2 certification
- Certificate of Added Qualifications in Vascular and Interventional Radiology – 5/2016

HONORS:

- Chief Resident - Diagnostic Radiology, University of Washington
- Chancellor's Scholar Full Scholarship, Vanderbilt University
- Golden Humanism Honor Society, University of Tennessee Health Science Center College of Medicine
- Pediatric Oncology Education (POE) Program Student, St. Jude Children's Hospital
- Howard Hughes Medical Institute (HHMI) Medical Research Fellow
- Patient Quality Award Winner - Board Committee on Quality and Patient Safety Research Honor, Indiana University Health
- RSNA Student Travel Award
- RSNA Annual Meeting
- SPIE Poster Presentation Honorable Mention, SPIE Medical Imaging Annual Meeting
- AUR Radiology Resident Academic Leadership Development Residency Program Delegate
- Resident Educator of the Year for Medical Students, Diagnostic Radiology Residency, University of Washington
- Best Colleague Award
- Diagnostic Radiology Residency, Seattle, WA

PROFESSIONAL SOCIETIES:

- Radiologic Society of North America
- American College of Radiology
- RSNA Member
- Washington State Medical Association

PUBLICATIONS:

Publications in Refereed Journals

- Ojeda P, Bobe A, Dolan K, Leone V, Martinez K. Nutritional Modulation of Gut Microbiota - The Impact on Metabolic Disease Pathophysiology. *J Nutr Biochem*. 2016 Feb; 28:191-200.2015.08.013 PMID: 26372091
- Ojeda PI, Kara A. Post discharge issues identified by a call-back program: identifying improvement opportunities. *Hosp Pract*. 2017 Nov 13:1-8. PMID: 29110557
- Martinez-Guryn K, Hubert N, Frazier K, Urlass S, Musch MW, Ojeda P, Pierre JF, Miyoshi J, Sontag TJ, Cham CM, Reardon CA, Leone V, Chang EB. Small Intestine Microbiota Regulate Host Digestive and Absorptive Adaptive Responses to Dietary Lipids. *Cell Host Microbe*. 2018 Apr 11; 23(4):458-469.e5. PMID: 29649441
- Ojeda P, Khorsand D, Zawaideh M, Kolokythas O. Rectothecal fistula complicating anterior sacral meningocele repair. *Radiology Case Reports*. 2018 Sep 11. PMID: 30386449
- Ojeda PI, Hannan L, Mieloszyk R, Hall CS, Mileto, A, Park J, Harris R, Baheti AD, Hippe D, Bhargava P. Is there a difference between LI-RADS Category 3 to LI-RADS Category 5 progression assessment between CT and MRI? Analysis from a retrospective, single-center, longitudinal study of patients who underwent 5082 radiologic examinations for surveillance of hepatocellular carcinoma over a 43-month period. *Current Problems in Diagnostic Radiology*. 2021 Apr 14. *Epub ahead of print*. PMID: 33980417.

Other Publications

- Ojeda P, Zawaideh M, Mossa Basha M, Haynor D. The utility of deep learning: evaluation of a convolutional neural network for detection of intracranial bleeds on non-contrast head computed tomography studies. *Proceedings. Society of Photographic Instrumentation Engineers*
- (SPIE) 10949, *Medical Imaging 2019: Image Processing*, 109493J. 2019 15 March

Abstracts

- Hannan L, Ojeda P, Hippe D, Mieloszyk R, Johnson G, Park J, Harris W, Bhargava P. Clinical predictors of radiographic progression of a hepatic lesion from Li-RADS 3 to Li-RADS 5 among a population of individuals at high risk of hepatocellular carcinoma. *Journal of Clinical Oncology* 2019 37:15_suppl, e15668-e15668
- Hannan L, Harris W, Ojeda P, Park J, Mieloszyk R, Bhargava P, and Johnson G. Clinical predictors of progression of a hepatic lesion from Li-RADS (LR) 3 to LR5 among patients (pts) at risk of hepatocellular carcinoma (HCC). *Journal of Clinical Oncology* 2020 38:4_suppl, 481-481

Research in Progress

- Ojeda PI, Kresse ME, Lazo C, Delucia T, Gaskin C. Proximal Fibular Epiphysiolysis: A Known Entity in an Unusual Location. *Research in progress*.

NATIONAL PRESENTATIONS

- Ojeda PI, Ness K. Secondary Neoplasms, Vitamin D, Folic Acid, and Non-Steroidal Anti-Inflammatory Drug Intake in Childhood Cancer Survivors. Department of Epidemiology and Cancer Control, St. Jude Children's Research Hospital, Memphis, Tennessee. Scientific talk at the POE Summer Research Conference in July 2012.
- Ojeda PI, Elementary Radiology Lesson of Aneurysmal Bone Cysts and Giant Cell Tumors. Department of Radiology, Le Bonheur Children's Hospital, Memphis, Tennessee. Educational talk at the department weekly didactic lecture in April 2014.
- Ojeda PI, Martinez K, Moore D, Chang EB. Constitutive Androstane Receptor – Linking Host Nuclear Receptor Activity with Changes in the Gut Microbiota. Keystone, Colorado. Scientific poster presentation at the annual Gut Microbiota Keystone Symposia in March 2015.
- Ojeda PI, Varade N, Mossa-Basha M, Choudhri AF. Stroke collateral score: How to evaluate and what it means. RSNA. Chicago, IL. Educational electronic exhibit at RSNA annual meeting in December 2016.
- Olivas C, Ojeda P, Sinha S. Novel WT1 mutation in a patient with disorder of sex development and comprehensive literature analysis of gonadal function associated with WT1 mutations reported to date. University of Tennessee Health Science Center College of Medicine. Memphis, TN. Scientific poster presentation at the Longitudinal Scholar Project Annual Research session in May 2016.
- Ojeda PI, Kara A. Post-discharge issues identified by a call-back program. Baltimore, MD. Scientific talk at the National High Value Practice Academic Alliance Symposium in October 2017.
- Ojeda PI, Shehata Mariam. Bridging the Gap: A Guide to Protocoling for Junior Residents. Seattle, WA. Scientific talk at the UW Diagnostic Radiology Quarterly Competencies Project Review in July 2018.
- Ojeda PI, Mieloszyk R, Hall CS, Baheti AD, Hippe D, Bhargava P. Natural language processing at work! Is there a difference between LI-RADS Category 3 to LI-RADS Category 5 progression assessment between CT vs. MR? Chicago, IL. Scientific talk at the annual RSNA meeting in December 2018.
RSNA Student Travel Award Winner
- Ojeda PI, Zawaideh ME, Haynor D. The Utility of Deep Learning: Evaluation of a Convolutional Neural Network for Detection of Intracranial Bleeds on Non-Contrast Head Computed Tomography Studies. SPIE Medical Imaging. San Diego, CA. Scientific poster presentation at the annual SPIE Medical Imaging Conference in February 2019.
Honorable Mention
- Thapa, M, Ojeda PI, Otjen JP, Ngo AV, Callahan MJ. Características del ultrasonido de lesiones del tejido blando superficial de la extremidad (Ultrasound Characteristics of Superficial Soft Tissue Extremity Lesions). Society of Pediatric Radiology Annual Meeting. Miami, FL. La Sociedad Latino Americana de Radiología Pediátrica - Electronic Educational Exhibit [English and Spanish]. May 2020.

- Ojeda PI, Breshears E, Briller N, Chalian M. It's The Truth. It's Actual. It's Only Artifactual – Optimizing Extremity MRI at the Scanner. RSNA. Chicago, IL. Educational electronic exhibit at RSNA annual meeting in December 2021.
- Breshears E, Ojeda PI, Chalian M. Soft Tissue Sarcoma: Review of Imaging Guidelines for Evaluating Treatment Response. RSNA. Chicago, IL. Educational electronic exhibit at RSNA annual meeting in December 2021.

RESEARCH

- Pediatric Oncology Education (POE) Program Student
Department of Epidemiology and Cancer Control, St. Jude Children's Research Hospital, Memphis, TN
Epidemiology research regarding the potential correlation between the development of secondary malignancies in childhood cancer survivors and the regular intake of certain drugs and supplements.
Primary Investigator: Dr. Kiri Ness
May – July 2012
- HHMI Medical Research Fellow
Department of Gastroenterology, Pritzker School of Medicine, University of Chicago
Tested the hypothesis of high fat-induced changes in gut microbial metabolomes promoting obesity through perturbation of hepatic nuclear receptor networks
Primary Investigator: Dr. Eugene Change
June 2014 – June 2015

COMMUNITY/VOLUNTEER ACTIVITIES:

- Asociación Española Contra El Cáncer/Spanish Association Against Cancer, *Volunteer*. Spent the Summer with terminally-ill cancer patients at Gregorio Marañón Hospital in Madrid, Spain, providing breakfast, literature, and conversation to the patients and their families during May – July 2010.
- Clínica Esperanza (Clinic of Hope), *Volunteer Interpreter, President*. Work as a clinic leader and interpreter to provide primary care for the uninsured Latino patients in the Memphis community. I oversaw all student responsibilities in the clinic and ensured the clinic was HIPAA compliant. Served throughout 2011 – 2016.
- Volunteer Day with University of Washington Radiology Department, *Volunteer*. Worked at Dragonfly Garden and Pavilion in Seattle, WA to clear invasive species from a public park in September 2017.
- King County Clinic, *Radiologist Volunteer*. Worked as a volunteer to read radiographs and discuss findings with patients as well as interpret for Spanish-speaking patients who needed help scheduling follow-up mammography studies at the County free-clinic annual event in October 2017.
- Washington State Radiological Society Olympia Day of Advocacy. Spoke to legislature about specific bills which would affect the future of radiology and discussed the

importance of the bill implications. Also gained exposure to the multi-tiered legislative process. Advocated in February 2018.

- Ultrasound Workshop Volunteer at the University of Washington Minority Association of Pre-Health Students Conference, *Radiologist Volunteer*. Participated in a workshop to expose high school and college students to basic anatomy and ultrasound scanning in January 2019.
- WSRS & UW Women in Radiology - *Mentoring Event, Resident Coordinator*. Recruited and moderated women radiologists of various career paths to participate in a mentoring panel for residents and practicing radiologists of Washington state in March 2019
